

INFORMED CONSENT, ASSUMPTION OF RISK, and RELEASE OF LIABILITY

*We will do everything in our control to make your introductory tandem paragliding flight a safe and enjoyable one
However, these are the unavoidable facts of paragliding life:*

1. Your pilot and others involved in making your flight possible are human beings who are capable of making mistakes.
 2. Your equipment is made by human beings and therefore is not perfect, and can malfunction.
 3. Paragliding is NOT perfectly safe. We cannot offer any guarantees. We do not guarantee that our equipment nor that anyone involved in making your flight possible will perform flawlessly. You may get hurt, severely injured or die, even if we and you do everything correctly.
